

Tehran, APRIL
Monday, 2010

Hello my new pen-pal Madeline

I liked your letter and these are a few things I want you to know about me.

My name is Rose.

I live in Tehran. Tehran is a city in Iran. Can you find it on a map?

I go to MS Shaila and I am in Kindergarten.

I like my school because my friends are good,
singing songs
like clap your hands.

My favorite things to do are

playing, toys,
and friends.

But I do not like ~~to~~

any body hit
me.

Now it is your turn to write me more about yourself.

Madeleine Love, Rose
